FOR IMMEDIATE RELEASE**“Looking for LOVE on Valentine’s Day?”**

Looking for love on Valentine’s Day? Then why not visit your local Animal Shelter and adopt one of the many homeless animals just waiting to shower you with love and affection. After all, the love of a pet is unconditional and it will last for years and years to come. Not only will you have a companion to share this special day with, but you will also be saving the life of a homeless pet. So, if you are ready to add a lifetime of love and happiness to your family, then come see all the wonderful companion animals that are available for adoption. They come in all kinds of sizes and shapes, colors and breeds, and oh the personalities! To help the animals celebrate this loving day, the Junior Helpers/Volunteers at the Rancho Cucamonga Animal Shelter have made special heart-shaped treat holders for the animals so that visitors can fill up their goody bags with pet-safe treats! For more information about how you can find love this Valentine’s Day, please call the San Bernardino County Animal Care and Control Program toll free at 1-800-472-5609 or visit their website at www.sbcounty.gov/acc to see photographs of some of the wonderful animals who are just waiting to find a new family to share their lives with.
